U.S. Service Academy Requirements

The U.S. Service Academies are among the most highly respected educational programs in the nation. The honor of attending a service academy comes with the obligation and commitment to serve in the military for a minimum of five years upon graduation.

The law requires that you apply through your Member of Congress, U.S. Senator from your state of residency, and/or the President or the Vice President. In addition, you must also directly apply to the academies of interest for an actual appointment.

Please Note: A congressional nomination does not guarantee appointment to one of the service academies.

General Guidelines

To meet all the eligibility requirements, each applicant must:

- Be at least 17 years old, but not yet 23 years of age, as of July 1 of year admitted. (25th birthday for the Merchant Marine Academy)
- Be a U.S. citizen
- Be unmarried, not pregnant, and have no legal obligation to support children or other dependents
- Be a legal resident of Missouri's Fourth Congressional District

Academic Qualifications

Members of Congress, as well as the President, Vice President and U.S. Senators, follow the academic requirements set forth by the academies when making a nomination. Certain requirements are specified by public law. However, the academies look at the "whole person" when considering each applicant. Character, leadership, physical aptitude, medical fitness, goals and motivation are key components of a favorable evaluation for admission.

Academics

Your class rank, unweighted GPA, standardized test scores, school records, and recommendations by principals, teachers, and/or counselors will all be assessed when considering you for a nomination.

Class Rank

Nominees must be in the top 40% of their class. However, the most successful candidates are in the top 10-20% of their class.

Standardized Test

You must have a qualifying score on either the SAT/ACT. It is encouraged students take both the SAT and ACT.

Average Scores:

SAT Verbal 550-700, Math 600-700
ACT English 28, Math 29

Extracurricular Activities & Leadership

Participation and achievement in extracurricular activities such as school clubs, class government, Honor Society, organized athletics, ROTC, scouting, Boys/Girls State, church and other community-related activities will help demonstrate your leadership skills.

The service academies generally value leadership roles in a specific activity than participation in several activities with no distinction. The academies also consider working a part-time job(s) as a demonstration of your leadership potential.

Medical Fitness

You must be in good physical and mental health, pass a Department of Defense medical examination, and have an adequate performance on the Physical Aptitude Exam (PAE). Only one medical exam is needed to meet the requirements of all service academies. You will be scheduled to take this examination at a military or civilian contract facility near your home.

The Department of Defense Medical Examination Review Board typically will contact you directly to schedule an examination once you begin an application with the academy(s) of your choice. Nominees are strongly encouraged to begin the application process early, especially if consultation, retesting or corrective action is required.

If you are a competitive candidate, you will receive instructions for taking the qualifying medical examination directly from:

The Department of Defense Medical Examination Review Board (DODMERB)

8304 Edgerton Drive, Suite 132

USAF Academy, CO 80840-2200

(800) 841-2706 or (719) 333-3562

Website: <https://dodmerb.tricare.osd.mil/>

Communication with the Academies

As part of the process, you are required to contact the appropriate academy or academies and complete all requirements. The academies will start your candidate file when you complete the Pre-Candidate Questionnaire online. The questionnaire can be found on the websites of each academy. Ideally, the Pre-Candidate Questionnaire should be filled out in the spring of your junior year.

Applying to all the academies may improve your chances of receiving at least one appointment offer. If you have not already made contact with the academy of your choice, you should do so as soon as possible to prevent any delay in the nomination process.

Selection Process

Applicants who have completed their applicant file with Congresswoman Hartzler's office by the deadline will be scheduled for an interview with the Congresswoman's Service Academy Review Panel. The committee consists of former/current military personnel, academy graduates, community leaders, and educators. After the panel interviews each candidate they will make their recommendations for the Congresswoman to consider.

Nomination Method

Each member of Congress may have five cadets at each of the four service academies at any one time. The number of vacancies available each year is then determined by the number of cadets who either graduate or leave the academies each year. Congresswoman Hartzler's nominees will be selected using the "Principal with Ranked Alternates" selection process, which involves the Congresswoman submitting the designation of a principal nominee along with nine ranked nominees. If the principal is fully qualified (academics, medical, and physical aptitude), he or she will be appointed and will fill the vacancy. Additionally, alternates may also receive an appointment through a select number of additional slots an academy may have in a given year or through receiving a nomination from their U.S. Senator, Vice President or the President.

All information for your file must be mailed to Congresswoman Hartzler's **Harrisonville Office:**

Frequently Asked Questions

Who do I ask to write a letter of recommendation?

Due to the fact academies evaluate based on the “whole person” concept, it is important to ask individuals who have watched you develop in various aspects of your life.

Some suggestions are:

- Teachers
- Coaches
- School Counselors
- Pastors/Priests
- Family friends
- Employers

All evaluations and letters of recommendation should be in sealed envelopes with the signature of the recommender across the flap.

I am taking the SAT/ACT test again after the application deadline. Will I be able to submit the new scores after the deadline has closed?

Yes, you are encouraged to take the SAT/ACT test(s) as many times as you can. Students may take the SAT/ACT as late as the end of October.

Can I apply and receive a nomination to more than one academy?

Yes. It is strongly recommended that you apply to more than one academy to improve your chances of receiving an appointment to at least one of them. It is important to educate yourself on what all the academies have to offer to make the best decision for your career goals.

One way to gain a better understanding of what a service academy has to offer is by attending a summer seminar. Each service academy holds seminar programs for high school juniors. The programs are traditionally held during the summer months and consists of academic workshops, military training, physical fitness training, and intramural athletics. It is strongly recommended that prospective candidates consider attending one of these seminars to see if academy

life is right for them. More information regarding the summer seminar programs can be found on the website of each academy.

Congresswoman Hartzler can nominate a candidate to more than one academy. It is often the case that a candidate is given a principal nomination to one academy and ranked alternate nomination to another.

Does the information in my file get forwarded to any Service Academies?

No. Your nomination file at Congresswoman Hartzler’s office is only used to make a congressional nomination. Your service academy(s) file is maintained separately by the service academy(s) you wish to apply to. It is the responsibility of the candidate to forward all necessary information and documentation requested by the academy’s admissions office.

Will I automatically be selected by the academy after I receive a nomination?

No. You will be placed among a select group of nominees, and the academy of your choice will make the final decision. If selected, you will receive an offer of admission (an appointment) directly from the academy.

What is a ranked alternate nomination?

To ensure the principal vacancy is filled, the Congresswoman submits nine ranked alternate nominations to each academy. The academy decides if that person will be admitted. In the event the principal nomination does not receive an appointment, the academy will select the most qualified alternate nomination to fill that vacancy.

When can I send in my application?

You may start submitting materials for your application packet beginning in the summer after your junior year in high school.
